◆ EMBARK ON A LEARNING JOURNEY AT THE 2024 GLOBAL EVENT IN THESSALONIKI – “THE ART OF HEALING”!

Get ready for an insightful experience in substance use prevention, treatment, and recovery at the 2024 Global Event in Thessaloniki, Greece, happening from June 24th to 28th, 2024. This collaborative effort is hosted by ISSUP and ISSUP Greece, along with INL, the Centers for the Prevention of Addictions, the Promotion of Psychosocial Health SEIRIOS, and ICUDDR.

Event Highlights:

Venue: Discover the historic center of Thessaloniki at the ‘International Exhibition & Congress Centre of TIF-HELEXPO’ and nearby conference rooms in museums and social institutions.

Program: Engage in a diverse program featuring sessions, workshops, training, and cultural events. It’s a chance to learn, train, and connect in a Mediterranean and South-Eastern Europe setting.

You can access [this page](#) for further information.

Registration:

In-person training registration is open.

Stay tuned for more updates, as the deadline for abstract submissions and ISSUP Awards has passed.

Frequently Asked Questions (FAQs):

Got questions? Check out our [FAQ page](#) to find detailed answers about the event.

ICAP Exams:

Addiction professionals don’t miss the chance to take the International Certified Addiction Professional (ICAP) Exams by the Global Centre for Credentialing and Certification (GCCC) on June 28 and 29, 2024. [Register here.](#)

ISSUP Awards:

We take pride in recognizing excellence in the drug demand reduction field with the 2024 ISSUP Awards. Categories include Evidence-Based Drug Demand Reduction Initiative, Services to Drug Demand Reduction (Lifetime Achievement), and Local Drug Demand Reduction Initiative (Europe).

Venue and Travel:

Find all the details about the venue and travel arrangements [here](#).

Join us in Thessaloniki for an enriching event, “The Art of Healing,” that will contribute to the future of drug demand reduction. Let’s learn, connect, and make a meaningful impact together!
